Residence Life Staff

The director of Residence Life is a full-time professional staff member who supervises all phases of University Housing, including the conduct process for resident students. The associate director and assistant directors of Residence Life are full-time, live on professional staff members who oversee the programming, operations and development of the resident community. In addition, graduate assistants are part-time live on staff members who work with residents. All staff members are available daily in their offices, and can be contacted outside of posted office hours. There is a Student Affairs Professional (SAP) staff member on call each day/overnight.

The goal of Residence Life is to create an environment that promotes intellectual and personal growth.

There are 29 resident assistants (RAs) and seven community liaisons (CLs) to help reach this goal. RAs and CLs live with the residents. They are trained paraprofessionals who organize their floor's/building's programming and are available to help meet residents' needs. Each RA has a duty night when he/she is responsible for covering the building. The RAs are available to help the residents whenever possible. The CLs do not maintain a duty schedule but are prepared to support the apartment resident and plan programs and events geared toward the community in our extended campus. Resident Peer Academic Leaders (RPALs) are student staff members who reside in the first-year halls, Regina and Pacelli, to provide academically focused programs, facilitate study groups and provide information to residents on academic resources. Living Learning Community Transitions Peer Mentors (LLCTPMs) are student leaders who provide programs for LLC students residing together who are also enrolled in designated classes.

Campus Ministry also supports resident students with live-in staff. Resident Peer Ministers are trained paraprofessionals who provide additional resources to students through programming and spiritual support. Graduate Assistant Hall Ministers plan and staff retreats and RENEW groups and are on call each day/overnight to respond to students' needs.

The responsibility to create a positive learning environment also rests on the Residence Housing Association and the residents themselves. In reality, the governing and promotion of community is everyone's responsibility.

The director of Residence Life has the responsibility to make all final decisions including, but not limited to:

- room assignments
- guest arrangements
- student behavior that may be damaging to the individual, other residents or the University's property
- undergraduate staff selection, supervision and training
- facilities usage and program registration

Residence Life and Campus Ministry Philosophy Statement

Saint Xavier University strives to create an experience of residential community living that supports the development of the whole person. To this end, the Office of Residence Life and the Office of Campus Ministry staff the residence halls.

The Office of Residence Life works to enhance the overall living experience of students who reside in University housing. Trained professionals (assistant directors and residence directors) and student paraprofessionals (resident assistants and community advisors) work to create an environment that facilitates healthy living, academic advancement and social interaction.

Campus Ministry seeks to nurture the religious, spiritual and personal growth for all students. By serving students directly in the residence halls, hall ministers and student peer ministers provide outreach and support in these areas and work collaboratively with Residence Life to further the goals of student development while in college.

Though operating from different frameworks, Residence Life and Campus Ministry live and work side by side with residents and share the gift and responsibility to create an inclusive community that fosters mutual respect and group responsibility through listening, caring and challenging resident students.

Rooted in Saint Xavier's core values and encompassing the Catholic and Mercy identity of the institution, these individuals use their talents and resources to enhanced personal, spiritual, social and educational development of students.

Approved, 2007

Residents' Rights and Responsibilities

Within the community environment of University housing, certain guidelines are necessary to help ensure the rights of every individual. To a large extent, the protection of those individual and group rights is up to the student/resident. Each resident has the responsibility as a citizen in the residence hall community to stand up for his/her own rights. Rights such as privacy, rest, cleanliness, a safe environment and a positive academic learning environment remain important to the residence life program. Residents must work with the residence hall staff, as well as peers, toward the protection of those rights by following the policies and procedures outlined here.

The Association of College and University Housing Officers International (ACUHO-I) represents 800-plus institutional members and housing officers employed by colleges and universities globally. The Residence Housing Association (RHA) is also organized to facilitate communication and cooperation between the resident students and the University by acting as the official advisory body of residents. RHA voices issues and concerns effectively through a unified body, thereby providing programs that enrich student life, extending and enriching the academic experience and contributing to an environment which encourages personal growth and development.

Problems with your cable television should be submitted as a work request through CLAWS. Improper use of cable services will result in disciplinary action. Students are responsible for any add/change charges that result.

When students are unable to attend class due to illness or an emergency, they may notify the Office for Student Affairs and request a notice be sent to instructors.

Credit Hours

Students residing in University housing must be enrolled in a minimum of 12 credit hours for the entire semester. If a student falls below this mark, the student is required to submit a Below 12 Credit Hour form through CLAWS to the Office of Residence Life and meet with a member of the professional staff. Students may be given a probationary term and be allowed to remain in University housing at the discretion of the director of Residence Life if they fall to part-time status for no more than one semester during their academic tenure.

Cancellation Policy

Students enrolled at Saint Xavier University who sign a future term housing contract and withdraw between the signing date and the designated drop/add date of the semester will be assessed a \$300 penalty.

Room Condition Reports (RCR Form)- Students must complete and submit a Room Condition Report Form within 72-hours of their arrival. A copy and receipt of this form will be given to each student for their reference. The RCR will be used to assess the condition of the students' assigned space for damages upon the students move out. Students should follow the detailed instructions provided to insure accurate documentation.

Check Out/Closing Procedure

The residence halls are closed during all official vacation periods, including Thanksgiving break, semester break, spring break and Easter break. Residents must vacate their room during all closed periods and comply with all building closing requests, which vary for each closing, such as turning in room keys, removing garbage from rooms, closing windows, turning off all lights and electric equipment, and locking doors. Residents in classes the evenings of hall closings may request a check-out extension at no charge. Requests must be made via CLAWS no later than 10 days prior to the upcoming break. Late requests may be subject to a \$50 late penalty. Requests received within 48-hours of the scheduled closing cannot be considered. International students and students who live beyond 400 miles of campus may request to reside on campus during the Thanksgiving, spring and Easter break closed periods at a rate of \$35/day for the duration of the closing, which will be billed to the student's account.

Students living in University apartments do not have to vacate their apartment during the Thanksgiving, spring or Easter breaks. University apartments will close at the semester break and residents will check out/turn in their key. Apartment residents may request to reside in the apartments during the semester break, if they are enrolled in the future term, at a rate of \$175 week. Unauthorized access to University housing during closed periods will result in disciplinary action, including but not limited to, a fine up to the closing accommodation rate of \$175.

In situations where it is imperative a student retrieve personal belongs from a residence hall room during a closed period, the student is expected to contact the Office of Residence Life and/or the Office of Public Safety in advance to coming to campus to make arrangements to access the room. A charge of \$25 will be billed to the student account for accessing the room during closing.

Semester Closing Check-Out Procedure - Each resident must check out with a staff member. Check-out times will be posted and a memo sent to each resident. Failure to check out with a staff member and/or turn in a room key will result in a \$50 fine in addition to key replacement costs. Failure to leave the hall/apartment at closing without proper approval will result in a \$50 fine per day for up to seven days. After the seventh day disciplinary action will be taken.

End-of-Year Check-Out Procedure - Each resident must check out with a staff member and submit their room key(s) in the designated check-out envelope. Before checkout, the condition of the room should be examined.

 2. Check-out times will be posted and a memo sent to each resident. Failure to check out with a staff member will result in a \$50 fee.
 3. Final decisions on damage charges are assessed by the professional staff once the building is closed.
 4. Each resident is responsible for turning in their key at the end of each semester. Failure to return the room key at the time of checkout will result in a fine of \$150.

Damages

Residents will be billed for all room and common area damages. Billing will be made at the end of each semester or at the time of the incident.

When a student takes possession of the room, the student will receive a Room Condition Report on which the condition of the room and the items in it has been noted. Major changes from the move-in notations upon checkout will indicate that the damage is the student's responsibility and the student will be billed accordingly. It is to the student's advantage to check to ensure that the Room Condition Report is as specific as possible.

Damages in the public (formal and lower lounges) and semi-public areas (shower rooms and bathrooms) of the hall are charged to individuals or groups when responsibility can be established. When the individuals responsible cannot be determined, the entire hall, floor or wing is assessed for repair or replacement costs. Damage to the hallways, bathrooms, etc. on each floor will be assessed to the residents of that floor. Individual room damage is assessed to one or both roommates.

Students shall be responsible for any damage done by, and caused by, non-resident visitors. Non-students who damage University property will be subject to arrest. Their host will be held responsible for repair bills. Any damage to a resident student's personal property by either another student or a non-student is a civil matter. University disciplinary proceedings may also take place.

Participation in a meal plan is mandatory for resident students. Residents are able to obtain their meals in the SXU Diner; Rhubarbs, located in McCarthy Hall; Subway, located in the Shannon Center; Gilhooley's Grande Saloon; Starbucks, located in Morris Hall; and Coffee Cats, located in the WAC. Complete information on dining locations, hours and daily menu choices can be found online at the [Dining on Campus website](#).

Meal plans build in a flex plan amount depending on the meal plan selection of either \$100 or \$150. Flex dollars can be used for purchases in the SXU Bookstore (excluding books), toward resident hall laundry facilities, to make copies on any campus copier and to purchase items from vending machines on campus until the last day of the semester (December 14, 2012 and May 10, 2013).

Note: Any meal plan funds remaining at the end of the semester are non-transferable and non-refundable as noted on the housing contract. No exceptions will be made.

Residence Hall Guest

A guest of the residence hall is defined as any person who does not currently reside in University housing (residence halls or apartments) and further, does not live in the building/unit where visiting. Infants and children under the age of 13 are not allowed in any area of University housing, including a resident's private room/apartment.

Students should consult with their roommate before guests are invited into the room.

Guest Sign-In Procedure for On-Campus Residence Halls

- Guests must sign in at the front desk and leave a valid form of photo identification (University ID, driver's license or state identification card) to be picked up upon departure. The host and guest must check in at the front desk together. The host must present a valid Cougar Card.
- The guest will receive a guest ID with issue number which must be worn at all times and returned upon departure.

- Failure to return the guest pass will result in a \$50 fine applied to the resident host's Student Account and a possible loss of privileges until the fine is paid. The host and guest must return to the desk together to check out.
- If a security worker is not present at the desk, the resident must call the Switchboard at 773-298-3000 to request a duty supervisor to obtain a guest pass.
 - Resident hosts must accompany their guests at all times and are accountable for their guests' actions as outlined in the [Code of Student Conduct](#).
 - Failure to follow any part of the guest policy may result in a \$50 fine and a possible loss of guest privileges.

Guest Visitation for University Apartments

- Guest visitation within University apartments is monitored by the residents of the apartment.
- In any case, individuals in a standard one-bedroom apartment shall not exceed eight persons, a standard two-bedroom apartment shall not exceed 10 persons, a two-bedroom condo unit shall not exceed 16 persons, and a three-bedroom condo unit shall not exceed 18 persons. The ratio of leaseholder(s) to guest(s) should not exceed 1:5 at any time and must be within the apartment limit as outlined above.
- Guests and/or residents visiting a complex or visiting among apartments are expected to be considerate of others in the complex/building and should be quiet when entering/exiting apartments.

Overnight Visitation:

- Residents in on-campus residence halls or University apartments may host two overnight guests at least 17 years of age and of the same sex, provided they have the consent of their roommate(s).
- Siblings who are of the same or opposite sex and between 13 and 16 years of age may be permitted as an overnight visitor, provided that a completed Sibling Overnight Waiver signed by the parent/guardian and a Resident Overnight Automated Request (ROAR) form is on file with the Office of Residence Life 24 hours prior to the overnight visit.
- Siblings who are 17 years of age or older and are of the opposite sex will not be permitted overnight visitation.
- No guest may be registered in the halls or stay in University apartment more than three nights within a seven-night

period.

Overnight Request Procedures for On-Campus Residence Halls

- Residents must submit a Resident Overnight Automated Request (ROAR) on CLAWS by 11:00 p.m. on the date of the request.
- Residents will be informed by the RA on duty that the ROAR has been registered and approved/denied.
- All guest procedures apply and a guest ID must be worn at all times.
- Overnight guests may only be in the building for which they have an approved ROAR after visitation hours.

Cohabitation

The University does not allow cohabitation and will take disciplinary action against infractions that are reported or come to the attention of housing staff. Cohabitation is defined as a non-resident using a room as if he/she were a resident of that room, which includes: the presence of clothing and/or personal belongings in the room, studying in the room on a regular basis, being in the room when the host/hostess is absent, and using the bathroom facilities as if he/she lived in the hall/room. Students of the opposite sex are not assigned and may not arrange to live together in University housing.

Housing Accommodation Requests

Requests for specific housing accommodations can be made for students with medical or physical conditions when documented by a physician. A request form is available through the Office of Residence Life and must be completed in its entirety, typically before a housing assignment is made. Residents who have special needs related to disabilities can work with Disability Services Staff who, in conjunction with the Director of Residence Life, will attempt to identify appropriate accommodations if University facilities are suitable and available.

Housing Reassignment

Full-time upper-level students, those who are current rising sophomores, juniors and seniors must select their own rooms for future terms through the housing lottery system (held during the spring semester each year). To enter the housing lottery, students must submit an Intent to Return Request through CLAWS by the designated date, be registered as a full-time student, be in good financial standing with the Bursar's Office and be assigned to a residence hall room at the time of the lottery. In addition, to complete the reservation process students must be registered as a full-time student for the upcoming term and hold a valid Cougar Card. Students will select their room in the order designated by their lottery number, which will be distributed via @myemail.sxu.edu email accounts on a designated day.

The lottery number is random within the designated academic classification. Residents entering their second year (sophomore year) at SXU and wish to reside in housing are required to live in on campus housing accommodations. Detailed reassignment information is available from the Office of Residence Life prior to reassignment.

New residents (transfer or others) will not be issued a lottery number but are eligible to be requested as a roommate on the day of the housing reassignment lottery provided that the necessary contract and deposit are on file with the Office of Residence Life.

Detailed Reassignment policy and procedure can be found in the Reassignment Bulletin published annually by the Office of Residence Life.

Motor Vehicles

All residents must register their cars and purchase a parking decal with the Office of Public Safety, located in the Campus Service Center. All cars must display a parking decal or they will be ticketed. Any unauthorized vehicles, or those parked illegally, will be towed.

Overnight parking for resident students is located throughout campus in designated spaces. Students will need to have their room assignment information to request an appropriate parking lot space.

Summer Housing

Summer housing is available to current residents who are enrolled in summer classes when space is available. Summer housing is not available for new students who begin with a summer term. Summer session registration is required before housing will be approved. First year summer residents will be required to live in a double occupancy room, when available. Meal plans may be required during summer residency. Students approved for summer housing are required to vacate their spring term room on the semester closing date and return to housing at the opening of the summer session (approximately 10-14 days).

Upper level students continuing as apartment residents (those residing in an SXU apartment during the previous spring term) regardless of summer enrollment or for new apartment residents who are current SXU residents who will begin housing in the summer and continue placement in the fall semester as an enrolled student may request summer housing without summer course enrollment. Fall registration is required at time of contract. All housing policies and the Code of Student Conduct apply.

Rates are determined on a weekly basis and billed at the beginning of the term to the student's account.

Room Consolidation

During the third week of the fall and spring semester, the Office of Residence Life will consolidate students that do not currently have a roommate. The goal of this process is to, as much as possible, have residents adhere to the room type and rate indicated on their student account. Students will have three days to find a roommate and consolidate. At the end of that time, any student that has not voluntarily found a roommate may be randomly assigned a roommate or may be given a deadline to move into an open space in a new room.

Should space allow, instead of consolidating, students may have the option to buy out the vacant space in their room/apartment. Students will be required to complete a Request to Maintain Vacancy form, indicating the desire to keep the space vacant. An additional charge of \$365 is assessed to maintain the room/apartment vacancy (each semester it may be available). If approved, the student is obligated to pay the charge, to the Office of the Bursar to process and confirm consolidation. Availability for this process will be limited, and not everyone with a vacancy may be able to participate. Students who do not consolidate by the deadline, nor request to maintain the vacancy, may be subject to additional room charges (single-room rate) and may be assigned a roommate at any point throughout the semester.

Withdrawals

Room and board charges are prorated from move-in day through the drop/add date for the respective semester. After the drop/add date, the resident is responsible for all semester fees. Residents who do not plan to return to the residence halls or who will graduate at the end of a semester must complete a withdrawal form. A \$50 fine will be charged to your student account if a University Housing Withdrawal Form is not on file by the designated date(s). Residents who do not complete the CLAWS Withdrawal Form will forfeit the \$100 dorm damage deposit. Withdrawals shall be submitted through CLAWS by logging in and choosing Residence Life from the Self-Service Options and select Withdrawal Form.
